NEOS Donates to City of Hope Cancer Center

BRAINTREE MA – July 21st, 2007 – New England Office Supply (NEOS) has helped raise over \$33,000 for City of Hope Cancer Research Foundation in conjunction with the American Office Products Dealers (AOPD) Sales Campaign.

Between December 1, 2006 and March 31, 2007, twenty-five percent of the proceeds from New England Office Supply's 'Winter Sale Flyer' were donated to City of Hope for cancer research, treatment, and education. "New England Office Supply is proud to play a part in this fundraising effort. City of Hope is a great pioneer in the field of cancer research," states NEOS Vice President Dennis McCarthy. "We're proud to be able to give back to our community and are always looking for ways to help." City of Hope is a leading research and treatment center for cancer, diabetes, and other life-threatening diseases. Founded in 1913, City of Hope is a pioneer in the fields of bone marrow transplantation and genetics and shares it's scientific knowledge with medical centers locally and globally, helping patients battling serious diseases.

New England Office Supply is a minority, woman-owned small business, certified by SOMWBA and the US SBA. They are one of the area's leading sellers of office products, furniture, technology and print, providing corporations, state and local governments, colleges, and non-profit agencies with complete business products solutions. New England Office Supply offers a wide selection of over 60,000 products, including the largest selection of environmentally responsible recycled products.
